Profile

Experienced Web Developer with a passion for creating dynamic and user-friendly websites. Proficient in **HTML**, **CSS** (also worked with SASS), **JavaScript**, and PHP, with a strong understanding of responsive design and cross-browser compatibility. Committed to continuous learning and staying updated with the latest web development trends and technologies. Seeking an opportunity to utilize my skills and contribute to a fast-paced and innovative team.

- Assisted in Applications Development user manual preparation, project implementation & rollout.
- Documentation on applications process flow.
- Created responsive websites from scratch.
- Design and development of various websites.
- Created logo prototypes and processed publication-ready advertisements.

Work Experience

Web Developer Intern
Lean Qualities

📅 05/2019 – 06/2019 ⊙ PUNE

- Developed and maintained responsive and user-friendly websites, ensuring smooth navigation and optimal performance.
- Collaborated with cross-functional teams to gather requirements, provide technical guidance, and implement innovative solutions, resulting in improved functionality and user experience.
- Optimized website performance by implementing efficient coding practices and leveraging the latest web development technologies, reducing load times by 30%.
- Use regulatory and compliance standards for user interface designs.
- Produced websites compatible with multiple browsers.

Education

BSc (CS) | Undergraduate
MIT WPU

📅 07/2019 – 05/2022 ⊙ PUNE

- Developed a web application for a senior project for Hikers to find the mountains nearby(or far) they want to climb.
- Led a team of classmates in designing and implementing a database management system for a local nonprofit organization, resulting in improved data efficiency and organization.
- Participated in a research project analyzing cybersecurity vulnerabilities in mobile applications, presenting findings at a regional technology conference.

MCA | Postgraduate
SPPU

📅 11/2022 – 08/2023 ⊙ PUNE
